## PROFESSIONAL SUMMARY

I am a dedicated law enforcement professional with over a decade of experience with the New York City Police Department's Traffic Enforcement District and a recent graduate from SUNY Canton with a Bachelor of Science degree in Cybersecurity, designated as a National Center for Academic Excellence in Cyber Defense. Dynamic and multifaceted, with the ability to collaborate across institutional and cultural barriers. Seeking to apply my education and transition into the cybersecurity field.

## SKILLS

Technical Troubleshooting | Administrative Support | VMware | Visual Studio | Microsoft Office | John the Ripper | Active listening | Problem-Solving | Technical Writing | Internal Audits | Timekeeping

## EXPERIENCE

**New York City Police Department,** New York, NY — March 2014 - Present

**Manhattan South Traffic Enforcement-5**

*Certified New York City Timekeeper* — December 2016 – Present

- Submitted payroll and recorded attendance and tardiness records.
- Maintained leave requests, overtime requests, and sick forms for each member of the command.
- Confirmed weekly attendance records with all leave requests and overtime requests submitted.
- Addressed any payroll or leave balance issues.
- Enforced New York City traffic laws and regulations and expedited the flow of traffic.
- Ensured public safety.

*Traffic Enforcement Agent - Base Station Operator* — *February 2016 – April 2018*

- Cataloged and maintained the command's ticket writing equipment and radios.
- Withdrew deficient summonses.
- Provisioned new Traffic Enforcement Agents with the ticket-writing equipment.
- Trained personnel in the proper function of ticket-writing equipment.
- Assessed problems that arose with the ticket-writing equipment and submitted them for repair.
- Interact regularly with the ticket writing software.

*Traffic Enforcement Agent - Vehicle Coordinator* — *February 2016 – April 2018*

- Inspected the command's fleet of vehicles for any deficiency on a weekly basis.
- Arranged for vehicle maintenance and repairs as needed.

*Traffic Enforcement Agent - Administrative Staff* — *April 2018 - Present*

- Typed department memos.
- Conducted integrity monitoring investigations.
- Compiled spreadsheets.
- Monitored overtime hours worked by each member of the command.

*Continued…*

- Troubleshoot Multi-function Printers and Network printers.

**Banana Republic, New York, NY** July 2013 – March 2014

*Loss Prevention Agent*

- Conducted external investigations, such as looking into credit card fraud, returns fraud, tracking the activity of organized retail crime groups, apprehension of shoplifters, and writing narratives about any incidents to be used for future investigations.
- Performed internal investigations, such as looking into employee theft and cash shortages.
- Trained sales associates on how to detect suspicious people as well as how to spot fraudulent checks, currency, and credit cards, and conduct EAS sensor audits.
- Oversaw that the store's emergency plans were in place and up to date.
- Reviewed transactions from various dates to look for any suspicious activity.
- Prepared reports on store audits and loss prevention areas of improvement, as well as successes, to be submitted to supervision daily.
